SARDAR PATEL HIGHER EDUCATION SCHOLARSHIPS

Hon'ble Mr. Narendra Modi, PM of India with Prof. NK Goyal, President CMAI

Hon'ble Mr. Pranab Mukherjee, President of India with Prof. NK Goyal, President CMAI

Hon'ble Mrs. Smrita Irani, Minister of HRD with Prof. NK Goyal along with other delegates

Scholarship is a boon for students, belonging to the weaker sections of the society, who are unable to further their education for some reason or the other. Scholarship is an incentive as well as encouragement for students, who are talented, but do not have the means to study further.

This initiative has been taken by CMAI to encourage higher studies to following –

1) Students in 12th class who are interested to join in higher studies for engineering, Management, Architecture, law etc.
2) Students in the final year of Bachelor's program like BA, BSc, B.Com, BCA, BBA, etc who are interested for higher studies in MBA/PGDM, Administration etc.

Scholarship is available to students of any State in India. NRI students are not eligible. 50 Percent preference is agreed for the students of Bihar, Jharkhand, Chhattisgarh & North East States.

The scholarship will be available between 100 % to 10 % of the education fees for higher studies, in any of the AICTE, UGC approved Institutes. The selection will be on the basis of marks obtained in an online or offline test. This will be vetted by a Committee of 11 Vice Chancellors. No personal interview is required.

All students residing in India can apply for scholarships at www.cmai.asia/scholarships. An online form is to be filled with basic details.

Prof. NK Goyal, Director Center of Excellence, North Gujarat University and Advisor Gujarat Technological University, Ahmedabad
