

*GUJARAT TECHNOLOGICAL UNIVERSITY INNOVATION SANKULS*  
**CONSORTIUM OF CO-CHAIRPERSONS (INDUSTRY)**  
AND  
**CMAI ASSOCIATION OF INDIA**  
**ANNOUNCES**

**3<sup>RD</sup> CCI TECHNOLOGY EDUCATION EXCELLENCE AWARDS**

**Date: 17<sup>th</sup> July, 2015; Venue: Ahmedabad, Gujarat**

After the overwhelming recognition to the first CCI TECHNOLOGY EDUCATION EXCELLENCE AWARDS 2013 and 2<sup>nd</sup> CCI TECHNOLOGY EDUCATION EXCELLENCE AWARDS 2014, the Consortium of 25 Co-Chairpersons - Industry (CCI) and CMAI association is happy to announce the 3<sup>rd</sup> CCI TECHNOLOGY EDUCATION EXCELLENCE AWARDS 2015 to recognize excellence in different aspects of working of technology Universities. The awards will be presented on 17<sup>th</sup> July, 2015 at Ahmedabad, Gujarat. A technology university can present the work done during the last two years for this unique award.

The first CCI TECHNOLOGY EDUCATION EXCELLENCE AWARDS event was organized on 18<sup>th</sup> May, 2013 and *His Excellency Ndubuisi Vitus Amaku, the High Commissioner of Nigeria* presented the awards.

The Second CCI TECHNOLOGY EDUCATION EXCELLENCE AWARDS event was organized on 19<sup>th</sup> July, 2014 and *H.E. Ndubuisi Amaku - Ambassador of Nigeria, H.E. Shaida. Mohd. Abdali - Ambassador of Afghanistan, H.E. Rizali. W. Indrakesuma - Ambassador of Indonesia, H.E. Dr. Lewis Mbilizi - DH Commissioner, Malawi* graced the ceremony.

Gujarat Technological University (GTU) has set up 25 GTU Innovation Sankuls all across Gujarat. Each Sankul provides a platform for Colleges and surrounding industries to work together. A Sankul Committee is co-chaired by a senior academician and an industry leader.

The Consortium wants to connect with national chambers of commerce and involve them in this project. We are happy to announce that the CCI Technology Education Excellence Awards 2015 are being organized jointly with CMAI (Communication Multimedia Applications Infrastructure) Association of India-. CMAI is India's largest ICT association with 48,500 members and 54 MOU partners across the globe. CMAI is also organizing National Education Awards <sup>TM</sup> at National and State Levels. (Please see [www.nationaleducatiionaward.com](http://www.nationaleducatiionaward.com), [www.cmai.asia](http://www.cmai.asia) and [www.cmaievents.com](http://www.cmaievents.com).) CCI and CMAI will constitute a high power Jury. This Jury would be able to transparently adjudge the entries on their merit.

The Awards will permit the universities to learn from the good practices of the whole of the technical education system and will permit the universities to offer to the young progressively better educational experience.

**The Second CCI Technology Education Excellence Awards will be presented on Saturday, 17<sup>th</sup> July 2015 at Ahmedabad (Gujarat State). There is no fee for submitting nominations to CCI Awards. Nomination form for the Award is attached at the end of this document.**

***Last date of Submission of nomination form by email: 5<sup>th</sup> July, 2015***

***Nomination forms can be sent to [cciawards@gtu.edu.in](mailto:cciawards@gtu.edu.in)***

### **Categories of Award: listed at Annexure – I**

**Note:**

1. Awards in some of the categories may not be offered, if excellent nominations are not received by the last date.
2. The Jury members will be distinguished personalities, who will be at arm's length for the university/ management under consideration.
3. The Consortium is associated with GTU. The nominations for Awards will be received and adjudged objectively and fairly. However if GTU should be selected for any Award, it will be considered as an additional Award by CCI and another University would be selected for that Award.

### **Applications and Selection:**

Universities/ Managements wishing to nominate themselves or others may fill the application form enclosed. The entire process of evaluation and assessment will be conducted by the highest tenets of transparency & accountability.

The Form for nominations for the Award is attached herewith. Filled nomination forms can be sent on [cciawards@gtu.edu.in](mailto:cciawards@gtu.edu.in)

***Last date of Submission of Applications for the Awards: 5<sup>th</sup> July, 2015***

## **Annexure - I**

### **Award Categories**

#### **I. Government Technology Universities of Affiliating Type**

- 1) Best University in Addition of quality Infrastructure during the last two years
- 2) Best University in Use of Technology in Teaching-Learning Practices including in e-assessment
- 3) Best University in making special initiatives on introducing design perspectives in different courses and in sensitizing the university community about Intellectual Property Rights

- 4) Best University for Promoting Industry-Academia Interface and supporting innovators from within and outside the University
- 5) Best University in making best efforts to promote student start-ups/entrepreneurship
- 6) Best University in Open & Distance Learning/ Satellite or TV or webinar-based Learning systems
- 7) Best University Promoting high quality Research at Master's and doctoral thesis work
- 8) Best University in Promoting Research & Development, relevant to the needs of the society, having direct impact on local community/social sectors/MSME clusters and others
- 9) Best University in Obtaining research grants from different sources
- 10) Best University in learned publications in high impact journals and in top-tier conferences during the last two years
- 11) Best University in Organizing Faculty Development Programs
- 12) Best University in Visualizing and Executing any innovative program
- 13) Best University for Value-based Education
- 14) Best University in Internationalization of its faculty and students
- 15) Best University in having best alumni interaction and continuing education program

## **II. Government Technology Universities: Single Campus Type (including Business Schools like IIMs)**

- 1) Best University in Addition of quality Infrastructure during the last two years
- 2) Best University in Use of Technology in Teaching-Learning Practices
- 3) University making special initiatives on introducing design perspectives in different courses and in sensitizing the university community about Intellectual Property Rights
- 4) Best University for Promoting Industry-Academia Interface and supporting innovators from within and outside the University
- 5) University making best efforts to promote student start-ups/entrepreneurship
- 6) Best University in Open & Distance Learning/ Satellite or TV or webinar-based Learning systems
- 7) Best University Promoting high quality Research at Master's and doctoral thesis work
- 8) Best University Promoting Research & Development, relevant to the needs of the society, having direct impact on local community/social sectors/MSME clusters and others
- 9) Best University in Obtaining research grants from different sources
- 10) Best University in learned publications in high impact journals and in top-tier conferences during the last two years
- 11) Best University in organizing Faculty Development Programs
- 12) Best University in Visualizing and Executing any innovative program

- 13) Best University for Value-based Education
- 14) Best University in Internationalization of its faculty and students
- 15) University having best alumni interaction and continuing education program

### **III. Non-Government Technology Universities: (including Business Schools)**

- 1) Best University in Addition of quality Infrastructure during the last two years
- 2) Best University in Use of Technology in Teaching-Learning Practices
- 3) University making special initiatives on introducing design perspectives in different courses and in sensitizing the university community about Intellectual Property Rights
- 4) Best University for Promoting Industry-Academia Interface and supporting innovators from within and outside the University
- 5) University making best efforts to promote student start ups/entrepreneurship
- 6) Best University in Open & Distance Learning/ Satellite or TV or webinar-based Learning systems
- 7) Best University Promoting Research & Development, relevant to the needs of the society, having direct impact on local community/social sectors/MSME clusters and others
- 8) Best University Promoting Research & Development, relevant to the needs of the society
- 9) Best University in Obtaining research grants from different sources
- 10) Best University in learned publications in high impact journals and in top-tier conferences during the last two years
- 11) Best University in Organizing Faculty Development Programs
- 12) Best University in Visualizing and Executing any innovative program
- 13) Best University for Value-based Education
- 14) Best University in Internationalization of its faculty and students
- 15) University having best alumni interaction and continuing education program

### **IV. For Governmental Management Systems (like the Director of Technical Education) at State/ Central levels**

- 1) Best provision of quality Infrastructure to its Technical University or its technical institutes during the last two years
- 2) Best provision of tools of Technology for improvement of Teaching-Learning Practices to its Technical University or its technical institutes
- 3) Best Efforts for Involving faculty members in Government Institutes for promoting Industry-Academia Interface
