

**CMAI Delegation to  
10th Asian Electronics Forum (AEF) 2014  
from 15 ~ 16 October, 2014.  
Hosted by HKEIA, Hong Kong**

Dear Sir,

CMAI is happy to announce delegation to 10th Asian Electronics Forum (AEF) 2014 and extend a cordial invitation to you to join us at Hongkong, on 15<sup>th</sup> – 16<sup>th</sup> October 2014.

The Asian Electronics Forum is an annual International Event in which the Electronic Associations in Asia gather together to discuss and exchange views on important issues affecting the electronic industries in Asia. The objective of this Forum is :

- To foster free trade
- To foster closer economic ties by:
  - \* establishing channels of communication
  - \* promoting more information exchange
  - \* alerting members on government's new policies on import, tax, standards and technology, and nenvironmental/ecological legislations
- Standards and regulations
  - \* Prevailing market and economic conditions
  - \* Future product trends and technology development
  - \* Environmental concerns
  - \* Standards and regulations
- To promote and strengthen the networking between the different

Associations so as to facilitate:

- \* Business
- \* Exchange of information
- \* Free flow of people
- \* Advancement of technology
- \* Trade fairs and exhibitions
- To enhance the status and influence of electronics and the Associations
  - \* To government
  - \* In the society
  - \* Within the industry

The Asia Electronics Forum (AEF) is a voluntary gathering of Presidents and CEOs of Asian Electronic Associations to deliberate and formulate strategies for future and global development of Electronic Industry. The current membership includes:

Australian Industry Group(AIG)

China Electronic Chamber of Commerce (CECC)

Communication and Information Network Association of Japan (CIAJ)
