

CMAI Delegation to 18th Asian Telecom & Information Exchange (ATIE) Forum 2014, Busan, Korea

Dear Sir,

CMAI is happy to announce delegation to 18th Asian Telecom & Information Exchange (ATIE) Forum 2014 and extend a cordial invitation to you to join us to the ATIE Forum which will be convened in Busan, Korea on 22 October 2014.

ATIE is a forum composed of telecommunications/information industry organizations in Asian countries, Japan, Singapore, Hong Kong, Taiwan, India, Korea and Australia. It is held every year in one of the member countries. This year, KAIT is hosting 18th ATIE. The members from Asian Countries make presentations on their respective markets, on environmental issues and so on. Information regarding ICT industries in Asian countries can be updated in this Forum.

This year's theme 'Connected World, Connected Future' will provide the chance to discover and explore current and future lifestyles that are affected and shaped by ICTs. The exponential growth of ICTs has presented unprecedented opportunities to mankind. In this respect, ICTs is playing a vital role as one of the enablers to accelerate progress toward both economic and social developments.

There will be presentations at 18th ATIE regarding the current status, future development or case study of respective countries' ICT industries. KAIT recommends the presentation topic to be selected from the proposed topics such as; 5G Mobile service, Next Generation Networks, ICT convergence, Internet of Things (IoT or M2M:Machine to Machine), emerging ICT trends or others.

If CMAI members from delegations would like to make presentations or speak at the forum that can also be added at special discounted rates to CMAI members.

It would be our pleasure if I could have the privilege of your confirmation to join us in the Delegation.
